

Saratoga

Sunday, August 12, 2012

Saratoga will be off and running into its 144th season in 2012.

There are so many ways to enjoy ***Saratoga Raceway***, which is steeped in tradition, mythology and plain old good times. Traditionally, fans could get dressed up and watch from the clubhouse, or sit back with a cooler and blanket in the backyard. Saratoga now offers Restaurant Row', which highlights some of Saratoga's favorite restaurants right on track!
